LB 978

PRESIDENT: Do you think it is or isn't?

SENATOR HEFNER: I don't believe it is germane because I believe this...I believe we're dealing with a liquor bill.

PRESIDENT: I'm afraid I would have to rule that it is not germane. Senator Marsh.

SENATOR MARSH: Mr. President, I move to suspend the rules so that this may be adopted. I would remind the body that the amendment itself strikes the original sections and all amendments thereto and inserts this one paragraph as the entire bill. So I need 30 votes to suspend the rules, and it only is used for personal property, which, as you understand, could be typewriters, could be computers. It is this type of thing which would be covered under it, Senator Hall. So I move your assistance in helping to suspend the rules.

PRESIDENT: Okay, the motion now is to suspend the rules. Senator Hall, your light is on. Okay. If no other discussion, the question is, shall the rules be suspended? All those in favor vote aye, opposed nay.

SENATOR MARSH: Mr. President.

PRESIDENT: Senator Marsh, please.

SENATOR MARSH: I respectfully request a call of the house and a roll call vote so we can move this as quickly as possible. There are other issues people would like to have an opportunity to vote on.

PRESIDENT: Thank you. The question is, shall the house go under call? All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 12 ayes, 1 nay to go under call, Mr. President.

PRESIDENT: The house is under call. Please record your presence. Those not in the Chamber, please return and record your presence. Unauthorized personnel, please leave the floor. (Gavel.) Please return to your desks as soon as possible so we can move along. I feel crowded. Please record your presence. Senator Dierks, Senator Lynch, Senator Bernard-Stevens. Senator Lynch, would you record your presence, please, and Senator
